

## **National Creditor Registration Service**

The National Creditor Registration Service (NCRS) is a free service provided by the U.S. Bankruptcy Courts to give creditors the option to specify a preferred address to which bankruptcy notices should be sent.

The Preferred Address service supports the amendment to title 11 U.S.C. §342(f) of the bankruptcy act of 2005, along with the amendment to Bankruptcy Rule 2002(g)(4), both of which permit a creditor to specify a preferred mailing address to be used by all the bankruptcy courts or by particular bankruptcy courts for providing notices.

Entities that register for the NCRS will have notices sent from all bankruptcy courts, or by the individual bankruptcy courts specified, redirected to a preferred mailing address for cases filed under all chapters of the Bankruptcy Code, effective within 30 days upon receipt.

To register with the NCRS for for additional information, visit the NCRS web site at <http://ncrs.uscourts.gov> or call their toll free support number at (877) 837-3424.

## **Electronic Bankruptcy Noticing (EBN)**

You may receive notices via:

For recipients who want the speed and convenience of receiving notices on-line
- **Fax**  
For recipients who do not want to setup e-mail accounts but want to eliminate slower noticing by U.S. Mail

For high-volume recipients (200+ notices a week)
