LOCAL RULES OF BANKRUPTCY PROCEDURE

INTRODUCTION – SCOPE OF RULES

L.R. 1001 – Scope of Rules and Forms; Short Title.

- A. **Title and Citation.** These Rules are adopted pursuant to Rule 9029 of the Federal Rules of Bankruptcy Procedure to govern the local practice and procedures before the United States Bankruptcy Court for the Southern District of Illinois (the “Court”). These Rules shall be known as the “Local Rules of the Bankruptcy Court for the Southern District of Illinois” (the “Rules”) and shall be cited as “S.D. Ill. LBR _____” herein. These Rules may be amended or supplemented from time to time by additional orders as the Court deems necessary. All references to provisions of the Bankruptcy Code are to Title 11 of the United States Code. All references to the District Court are to the United States District Court for the Southern District of Illinois.
- B. **Application.** These Rules shall apply to all cases and proceedings in the United States Bankruptcy Court for the Southern District of Illinois except to the extent the Court determines application of the Rules would not be feasible or as otherwise more specifically provided herein. Failure to comply with these Rules may result in denial of the relief requested, dismissal, or other sanctions. To the extent that an order in a specific case conflicts with these Rules, the order in the case shall control.
- C. **Effective Date.** These Rules become effective on June 1, 2012. The Rules governing chapter 13 plan contents shall be the rules in effect at the time the plan was originally filed. For previous versions of the rules, check the Court’s website at www.ilsb.uscourts.gov or contact the Court.
- D. **Relationship to Prior Rules/Orders; Actions Pending on Effective Date.** These Rules supersede all previous rules and any conflicting Orders promulgated by this Court or any Judge of this Court. They shall govern all applicable proceedings brought in this Court after they take effect, and shall apply to all pending proceedings at the time they take effect, except to the extent that the Court determines that application thereof would not be feasible or would work injustice, in which event the former rules shall govern.

The General Orders, Standing Orders, and Administrative Orders listed in Appendix A of these Rules are repealed.

The superseding of any prior rule and repealing of any order shall not affect any act done pursuant to or obviate any act required thereby.

- E. **Modification or Suspension of Rules.** In specific cases or proceedings, the Court, upon its own motion or the motion of any party, may suspend or modify any of these Rules if the interests of justice so require.

- F. **District Court Rules.** Except as otherwise provided in these Rules, or as ordered by the Court in a particular case, the Local Rules of the United States District Court for the Southern District of Illinois are adopted and incorporated herein and shall apply to proceedings in the United States Bankruptcy Court for the Southern District of Illinois.
- G. **Electronic Filing Rules and Chapter 13 Procedures Manual.** The rules and procedures governing electronic filing are contained in a separate document entitled “Electronic Filing Rules.” In addition, supplemental procedures, guidelines, and instructions applicable to chapter 13 cases are contained in a separate “Chapter 13 Procedures Manual.” The Electronic Filing Rules and the Chapter 13 Procedures Manual are incorporated into and made a part of these Rules. Both will be maintained on the Court’s website at www.ilsb.uscourts.gov. Reference in these Rules to any form, guideline or instruction in the Electronic Filing Rules or Chapter 13 Procedures Manual shall refer to the then-applicable form, guideline or instruction maintained by the Clerk of Court. All parties before the Court shall follow the procedures, guidelines and instructions set forth in the Electronic Filing Rules and Chapter 13 Procedures Manual and may be sanctioned for failing to do so.
- H. **Conforming Changes.** To the extent that the Federal Rules of Bankruptcy Procedure are revised from time to time, the Clerk of Court may revise these Rules to conform to such changes. The Clerk of Court will issue a public notice to advise of any such revision.
- I. Nothing in these Rules precludes this Court from entering General Orders, Standing Orders, Administrative Orders or guidelines to supplement these Rules.

PART I. COMMENCEMENT OF CASE; PROCEEDINGS RELATED TO PETITION AND ORDER FOR RELIEF

L.R. 1002-1 – New Case Filing Information and PDF Documents. In any new case filed in this Court, if the information that is entered in the Court’s electronic filing system is inconsistent with the attached PDF document(s), the information in the PDF document(s) will be considered the correct information and the PDF document(s) will control. The Clerk’s office is authorized to correct the information in the electronic case file to match the information in the PDF document(s).

If notices or other documents are issued before the information in the electronic case file is corrected, and those notices or documents contain incorrect information, it is the responsibility of the person filing the case to notify creditors and parties in interest of this fact.

L.R. 1002-2 – Matrix.

- A. The petitioner must file with the petition a mailing matrix of creditors listing the complete name, address, and zip code of each creditor. The matrix must be in a format prescribed in this Court’s Style Guide for Electronic Case Filing, which can be found on the Court’s website at www.ilsb.uscourts.gov. Attorneys who are registered CM/ECF participants are required to upload the creditor matrix in CM/ECF upon filing a petition

for the commencement of a case. Pro se debtors must submit the matrix at the time of filing a petition for the commencement of a case, which shall be used for scanning the creditors into the computer.

- B. When an attorney electronically files a petition as an emergency filing, the attorney must upload into CM/ECF the creditor information necessary to provide proper notice to all scheduled creditors. When a pro se debtor files a petition as an emergency filing, the debtor must submit the matrix at the time of filing, which shall be used for scanning the creditors into the computer.
- C. The debtor shall also verify that the matrix includes all creditors listed on the schedules and submit, along with the petition, an appropriate verification similar to the one located on the Court's website at www.ilsb.uscourts.gov.

L.R. 1003 – Involuntary Petition. The burden to prosecute an involuntary petition rests with the petitioning creditors. Debtor shall file the schedules, statements and other documents required by Rule 1007 of the Federal Rules of Bankruptcy Procedure within 14 days of the entry of the order for relief. If debtor fails to do so, the petitioning creditors shall have 14 days thereafter to file the required schedules, statements and documents or a motion to appoint a responsible party to perform the duties of debtor. In the event the petitioning creditors fail to file either the required schedules and documents or a motion to appoint a responsible party, the Court may dismiss the involuntary petition for lack of prosecution.

L.R. 1006 – Filing Fee.

- A. **Payment of Filing Fee in Installments.** Fifty percent of the filing fee shall be due at the time the petition is filed for debtors applying to pay the filing fee in installments.
- B. **Waiver of Filing Fee.** The Court will post on the Court's website at www.ilsb.uscourts.gov the applicable poverty guidelines to be used in determining whether a debtor qualifies for a fee waiver pursuant to 28 U.S.C. § 1930(f). The order granting *In Forma Pauperis* status may be vacated if developments in the case demonstrate that waiver of the fee was unwarranted.

L.R. 1007-1 – Required Information and Documentation for Case Trustees.

- A. **Information to be Served on Trustee.** For a list of the specific information and documents required by each Trustee, as well as whether the Trustee requires electronic or paper submission, consult the Court's website at www.ilsb.uscourts.gov.
- B. **Other Documentation.** The debtor shall provide the documentation required by Rule 4002(b)(2) of the Federal Rules of Bankruptcy Procedure in the time and manner set forth by that Rule. If the debtor twice fails to provide the documentation in a timely manner, the case will be dismissed without further hearing or notice, upon the filing of a motion to dismiss by the Trustee. The 10-day period set forth in Section 704(b)(1)(A) of the Bankruptcy Code shall be 10 days after the conclusion of the 341 meeting of creditors.

L.R. 1007-2 – Bankruptcy Code § 521(a)(1) Filing Requirements. Effective as to cases filed on or after October 17, 2005, copies of all payment advices, or other evidence of payment, received by the debtor from any employer(s) of the debtor within 60 days prior to the date of the filing of the bankruptcy petition, (1) shall not be filed with the Court unless otherwise ordered; and (2) shall be provided to the Trustee, the United States Trustee if no Trustee has been appointed, and to any creditor who timely requests copies of payment advices, or other evidence of payment, at least 7 days before the first scheduled 341 meeting of creditors. To be considered timely, a creditor’s request must be received at least 14 days before the first scheduled 341 meeting.

A. **Bankruptcy Code § 521(a)(1)(B)(iv).** The requirements of Section 521(a)(1)(B)(iv) of the Bankruptcy Code (that debtor provide copies of all payment advices or other evidence of payment received within 60 days before the date of the filing of the petition) is satisfied by providing to the Trustee (or the United States Trustee in a case where no Trustee has been appointed) at least 7 days before the first scheduled 341 meeting of creditors:

1. Payment advice(s) or other evidence of payment (which may be satisfied by providing less than “all payment advices or other evidence of payment received within 60 days before the date of the filing of the petition ...” - e.g. by providing a year-to-date statement that includes payments received within 60 days of the petition), or
2. A verified statement that the debtor did not receive payments to which Section 521(a)(1)(B)(iv) of the Bankruptcy Code applies.
3. Pay advices or other evidence of payment shall be arranged (1) separately for each debtor and (2) chronologically for each different employer.
4. Notwithstanding the foregoing, the Trustee may require that 6 months of pay advices or their evidence of payment (as defined in subsection 1 above) be provided to verify the current monthly income listed on Official Form B22A or B22C, or on Official Form 122A-1 or 122C-1 (effective 12/1/2015). Failure to provide this documentation shall not delay the commencement of the 341 meeting of creditors.

In no event shall the documents required by Section 521(a)(1)(B)(iv) of the Bankruptcy Code be provided later than 45 days after the date of the filing of the petition. If the 341 meeting is not set within 45 days of the filing of the petition, the 45-day deadline for providing payment advices to the Trustee (or the United States Trustee, if applicable) still applies. If the Trustee or the United States Trustee continues the 341 meeting to receive these documents, such continuance shall not be deemed a request or consent to extend the deadline of Section 521(i) of the Bankruptcy Code. Nothing in this Rule shall be construed as requiring the Trustee or the United States Trustee to continue the 341 meeting. Failure to provide the documents within the 45-day deadline shall be grounds for the Trustee or the United States Trustee (if applicable) to request dismissal. If the case is dismissed following such a request by the Trustee or the United States Trustee,

and the debtor believes the case was dismissed in error, the debtor shall file any motion to reinstate the case within 14 days of the entry of the dismissal order. A case that has been dismissed for failure to file a required document or provide a required document to the Trustee or the United States Trustee will not be considered to be a case dismissed in error.

- B. **Bankruptcy Code § 521(a)(1)(B)(v).** The requirement of Section 521(a)(1)(B)(v) of the Bankruptcy Code (statement of the amount of monthly net income, itemized to show how the amount is calculated) is satisfied by including such information in Schedule I.
- C. **Bankruptcy Code § 521(a)(1)(B)(vi).** The requirement of Section 521(a)(1)(B)(vi) of the Bankruptcy Code (a statement disclosing any reasonably anticipated increase in income or expenditures over the next 12-month period following the date of the filing of the petition) is satisfied by including such information on the appropriate line item on Schedule I and Schedule J and/or Schedule J-2 (effective 12/1/2015).

L.R. 1007-3 – Bankruptcy Code § 521 Tax Returns and Requests. Debtor shall provide the Trustee (or the United States Trustee if no Trustee has been appointed), no later than 7 days prior to the 341 meeting, a copy of the debtor’s most recently filed federal and state tax returns, or a verified statement that such returns do not exist and the reason why the returns do not exist. The tax returns and/or verified statement shall not be filed with the Court. On request of a creditor under Section 521(e)(2)(A)(ii) of the Bankruptcy Code, the debtor shall provide copies of such tax returns to the creditor but shall not file the returns or an Exhibit Summary thereof with the Court. Failure to provide the Trustee (or the United States Trustee if applicable) with the required tax returns or a verified statement that such returns do not exist as set forth in this Rule will result in the dismissal of the case without further notice, upon the filing of a motion to dismiss by the Trustee or the United States Trustee. Nothing in this Rule shall be construed as requiring the Trustee or the United States Trustee to continue the 341 meeting.

L.R. 1007-4 – Adoption of Interim Rule 1007-I of the Federal Rules of Bankruptcy Procedure. Interim Rule 1007-I of the Federal Rules of Bankruptcy Procedure, along with all amendments thereto past and future, is adopted by this Court, effective December 19, 2008.

L.R. 1009 – Amended Schedules and/or Matrix.

- A. **Adding Creditors.** If an amendment adds creditors, attorneys who are registered CM/ECF participants are required to upload creditor information for the additional creditors at the time of filing the amended document.
- B. **Content of Amended Schedules D, E, F, E/F (effective 12/1/2015), or Matrix.** Amended Schedules D, E, F, E/F, and/or an amended matrix shall include only the names and addresses that have been newly added, or for which information has changed. Along with the amended schedule and/or matrix, the debtor shall file a signed declaration and/or verification (as applicable) for the amended schedule and/or matrix. If the debtor is deleting a creditor, the debtor must so state.

- C. **Service.** The debtor shall serve the amended schedule and/or the amended matrix on the Trustee and on any entity affected thereby, in compliance with Rule 1009(a) of the Federal Rules of Bankruptcy Procedure. In addition, when the amendment adds creditors, the debtor shall also serve, on any newly added creditor, a copy of the last issued notice of commencement of case, and in any asset case, a proof of claim form and notice of the claims bar date. In chapter 13 cases, the debtor shall also serve a copy of the current chapter 13 plan on every newly added creditor included in the amended document. The debtor shall file a certificate of service listing the documents served. The debtor shall serve a copy of the amended schedules and/or matrix on any party requesting a copy of these documents.
- D. **Large Chapter 11 Cases.** In any large chapter 11 case, or a chapter 7 case that has been converted from a chapter 11 case, in which the Court authorizes the debtor or a noticing agent to provide notice and maintain the creditor matrix, the following procedures shall apply to amended matrices:
1. When the matrix needs to be amended or corrected, the debtor shall file, in PDF format the amended or corrected matrix in the CM/ECF system. The debtor shall not upload this amended matrix into the CM/ECF system. The filed (not uploaded) amended matrix shall include all names and addresses comprising the most current list of the debtor's creditors.
 2. To file the amended or corrected matrix, the debtor shall use the "Amended Creditor Matrix" event.
 3. On conversion of a chapter 11 case or within 7 days of any request from the Court or any other party, the debtor shall file, in PDF format, and upload (as a text file) an amended matrix as set forth in these Rules.
- L.R. 1015 – Joint Administration and Affiliated Debtor Cases.** The debtor or a party in interest may request by motion that cases in this Court regarding a debtor and its affiliate(s) be jointly administered. A motion for joint administration shall be filed as early in the case as possible. Unnecessary delay may result in the Court's denial of the motion for joint administration. Such a motion shall be served on all creditors, the Trustee (if any), the Trustee's attorney, and any examiner in the case. The motion for joint administration shall be filed in the case requested to be designated as the lead case. Joint administration of a debtor and its affiliates, unless otherwise ordered by the Court, shall not be a substantive consolidation of the cases.
- A. **Designation of Lead Case.** Unless otherwise stated in the order granting joint administration, when multiple affiliated cases are filed, the first case filed (i.e., the case having the lowest case number) shall be designated as the lead case.
- B. **Docket.** A single case docket and case file shall be maintained in the lead case after entry of the order for joint administration.

- C. **Style of Court Documents.** Pleadings and other documents filed after entry of the order for joint administration shall be styled with the caption of the lead case, shall include the affiliated debtors from the jointly administered cases, and shall set forth the bankruptcy docket number of the lead case. Such documents shall be filed in the lead case only.
- D. **Claims.** A separate claims register shall be maintained for each affiliated case. A proof of claim shall specifically state the name and case number of the debtor against which the claim is asserted. If claims are asserted against more than one of the affiliated debtors in a jointly administered case, a separate original proof of claim shall be filed in each case.
- L.R. 1017 – Motions to Reinstate Following Dismissal on Trustee’s Motion to Dismiss for Failure to Make Plan Payments.** The motion shall state the reason for failure to make payments and how debtor proposes to cure the arrearage. The motion shall also state whether the case was previously dismissed and reinstated and shall provide dates of any prior dismissals and orders of reinstatement. The debtor shall serve a copy of the motion on the Trustee, United States Trustee, and all parties in interest. No later than 7 days after the filing of the motion, the Trustee shall file a response to the motion, stating whether the Trustee consents or opposes reinstatement. Upon the filing of the Trustee’s consent, the case may be reinstated without hearing.

PART II. ADMINISTRATION AND NOTICE

L.R. 2002 – Service/Noticing.

- A. **Noticing by Proponent.** The proponent of the following matters will serve the notice required by Rule 2002 of the Federal Rules of Bankruptcy Procedure and shall forthwith file the notice with a certificate of service (the list is not intended to be all inclusive):
1. A proposed use, sale or lease of property of the estate other than in the ordinary course of business.
 2. The time fixed to accept or reject a proposed modification of a chapter 12 or 13 plan.
 3. A motion to allow temporary cessation/abatement of plan payments to the Trustee.
 4. An application for compensation or reimbursement of expenses totaling in excess of \$1,000.00.
 5. A motion to compromise or settle a controversy, other than approval of an agreement pursuant to Rule 4001(d) of the Federal Rules of Bankruptcy Procedure.

6. A motion to retain a tax refund.
 7. A motion for leave to modify/amend a mortgage.
 8. A motion for abandonment.
 9. A motion to redeem property.
 10. A motion to avoid lien under Section 522(f) of the Bankruptcy Code.
- B. **Notices to the United States and its Agencies.** Whenever these Rules or the Federal Rules of Bankruptcy Procedure require that notice be sent to the United States and/or its agencies, the notice shall be addressed in accordance with this Court’s Electronic Filing Rules, which can be found on the Court’s website at www.ilsb.uscourts.gov.
- C. **Mailing List.** When the proponent is required to provide notice to all creditors, the proponent shall insure the current mailing matrix is used.
- D. **Certificate of Service.** A certificate of service shall contain the full name and address of the persons/entities served by U.S. mail, or, if applicable, the certificate may state that “all creditors listed on the matrix have been served.” A certificate of service shall contain the full name of the persons/entities served electronically as required by this Court’s Electronic Filing Rules, which can be found on the Court’s website at www.ilsb.uscourts.gov. The certificate of service shall be signed by the person completing service.
- E. **Notice of Preferred Addresses under Bankruptcy Code § 342(f) and National Creditor Registry Service.** An entity and a notice provider may agree that when the notice provider is directed by the Court to give a notice to that entity, the notice provider shall give the notice to the entity in the manner agreed to and at the address or addresses the entity supplies to the notice provider. That address is conclusively presumed to be a proper address for the notice. The notice provider’s failure to use the supplied address does not invalidate any notice that is otherwise effective under applicable law.

The filing of a notice of preferred address pursuant to Section 342(f) of the Bankruptcy Code by a creditor directly with the agency or agencies that provide noticing services for the Bankruptcy Court will constitute the filing of such a notice with the Court.

Registration with the National Creditor Registration Service must be accomplished through the agency that provides noticing services for the Bankruptcy Court. Forms and registration information are available at <https://ncrs.uscourts.gov>.

L.R. 2003 – Bankruptcy Code § 341 Meetings.

- A. **Requests to Reschedule § 341 Meeting.** All requests to continue or reschedule 341 meetings must first be directed to the United States Trustee in chapter 11 cases and to the assigned Trustee or interim Trustee, as appropriate, in chapter 7, 12 and 13 cases. Upon agreement between the proponent of the continuance and the appropriate Trustee, it is the

responsibility of the proponent to immediately serve notice to all creditors and parties in interest, including the Court, of the new date, time and place of the rescheduled 341 meeting. The proponent shall file a certificate of service with the notice.

- B. **Requests to Reschedule § 341 Meetings within 7 Days of Meeting.** Any request by the debtor to reschedule a 341 meeting within 7 days of the scheduled meeting will require either the debtor or his/her attorney to appear at the scheduled meeting to request that the meeting be rescheduled. If the appropriate Trustee consents to the rescheduling and announces at the regularly scheduled 341 meeting the new 341 meeting date, no further notice to the creditors and parties in interest is required, except that the appropriate Trustee shall advise the Court of the rescheduled hearing date, time and place by making a docket entry using the Court's CM/ECF system.
- C. **Continuance of the Bankruptcy Code § 341 Meeting Announced at Meeting.** The Trustee or the United States Trustee may continue a 341 meeting from time to time by announcement at the regularly scheduled 341 meeting, with no further notice to the creditors and parties in interest being required, except that the appropriate Trustee shall advise the Court of the rescheduled hearing date, time and place by making a docket entry using the Court's CM/ECF system. The minimum amount of time for continuing a 341 meeting is 7 days.
- D. **Waiver of Attendance.** A request by a debtor to be excused from attendance at the 341 meeting of creditors must be made in writing to the Office of the United States Trustee and copied to the case Trustee. The United States Trustee's acceptable grounds for waiver include: medical condition, imprisonment and military assignments that prevent attendance. Any application for waiver of attendance must include supporting documentation, e.g., doctor's letter, court order or military order. Waiver of personal appearance and permission to attend a 341 meeting by telephone must also be approved by the United States Trustee. To appear by telephone, the debtor must be sworn in and identified by a notary, court reporter or other person permitted by law to administer an oath.
- E. **Disputes.** Prior to filing a motion seeking continuance of a 341 meeting or requesting that a joint debtor be excused from a 341 meeting, the movant shall seek such relief from the Trustee. The motion shall state relief from the Trustee has been denied. Failure to do so may result in the denial of the motion by the Court.
- F. **Failure to Attend the Bankruptcy Code § 341 Meeting.** If the debtor in a voluntary case fails to attend the first scheduled 341 meeting without being excused, the Trustee shall list the date, time, and location for a continued 341 meeting by making a docket entry within the Court's CM/ECF system. The minimum amount of time for continuing a 341 meeting is 7 days. If the debtor fails to appear at the second 341 meeting without being excused, the Trustee may file a motion asking that the case be dismissed. The Court may consider the Trustee's motion without a hearing.

L.R. 2004 – Motions under Rule 2004 of the Federal Rules of Bankruptcy Procedure.

- A. **Motion for Examination and/or Production.** A motion under Rule 2004 of the Federal Rules of Bankruptcy Procedure may contain a request for an examination or for production of documents. In addition, in a motion for an examination, the moving party may request that the examinee be required to produce documents at the time and place of the examination or at such other time and place as set forth in the motion.

However, if local counsel is retained and appears in Court for non-resident counsel, then the Clerk of the Court shall enter the appearance of local counsel in the Court record. At each appearance, local counsel shall be fully apprised of, and conversant with, the facts and law concerning any case in which they appear. - E. In a case under chapter 13, substitute counsel for the debtor shall be bound by withdrawing counsel’s fee election unless the Court, on motion and for cause, orders otherwise. Counsel shall dress in courtroom attire when appearing at 341 meetings.

L.R. 2094 – Attorney Discipline.

- A. **Disbarment or Suspension by another Court.** Any attorney that has been admitted to practice in the United States District Court for the Southern District of Illinois that becomes disbarred or suspended from practicing law by any court shall automatically be disbarred or suspended in this Court for the same length of time as the attorney's disbarment or suspension in the original court. Any such attorney shall, immediately upon disbarment or suspension, notify the Clerk of Court of the disbarment or suspension in writing. Failure to do so shall subject the attorney to further sanctions by this Court.
- B. **Request for Reinstatement.** Any attorney disbarred or suspended from practicing in this Court pursuant to subsection A of this Rule may file a motion with the Court requesting that the Court reinstate the attorney before the expiration of the disbarment or suspension in the original court. The Clerk of Court will then open a miscellaneous proceeding assigned to the Chief Judge of this Court. The Court will set a hearing at which the attorney will be required to show cause as to why the attorney should be reinstated in this Court.

In any case in which a motion to reopen is filed, the filing fees prescribed by 28 U.S.C. § 1930(b) must be paid at the time the motion is filed, unless (1) the motion to reopen states that the purpose of reopening is to correct an administrative error or to file an action related to the debtor's discharge (such as a complaint to determine dischargeability or a motion for contempt for violation of the discharge injunction); or (2) a complaint to determine dischargeability and/or a motion for contempt for violation of the debtor's discharge injunction (which are considered actions related to the debtor's discharge) is filed simultaneously with the motion to reopen.

L.R. 5011 – Withdrawal of Reference.

asset of an estate, posts a bond with the United States Trustee on behalf of the United States of America, for the full value of the assets in the possession or control of the auctioneer or liquidator.

- B. **Report of Sale.** The Trustee shall file a report of sale within 14 days of any sale. At the time of filing, the Trustee shall transmit a copy of the report of sale to the United States Trustee along with an itemized list of the property sold, the name of each purchaser, and the price received for each item or lot of inventory. Upon motion of any party in interest and for good cause shown, the Court may authorize the auctioneer or other liquidator to submit the net proceeds or to turn over to a secured creditor the net proceeds realized from the sale of that creditor's collateral.
 - E. **Validity of Checks.** The validity of any checks or bank drafts accepted by the auctioneer or other liquidator shall be the sole responsibility of the auctioneer or liquidator.
 - F. **Separate Escrow Account.** It is the responsibility of the Trustee to monitor the auctioneer or other liquidator, and to assure that, if the auctioneer or liquidator does not remit the entire sale proceeds to the Trustee within 14 days, and the proceeds of the property sold are \$50,000.00 or more, the auctioneer or liquidator shall open a segregated escrow or trust account for deposit of the sale proceeds. This account shall be designated by the bankruptcy estate case name and shall require the co-signature of the Trustee for any withdrawals. If the proceeds of the sale are less than \$50,000.00, the proceeds may be deposited in the auctioneer's or liquidator's trust or client fund account.

PART VII. ADVERSARY PROCEEDINGS

L.R. 7004 – Service of Summons on the United States and Its Agencies. Whenever service is required by the Federal Rules of Bankruptcy Procedure on the United States or its various agencies, the service shall be in accordance with this Court’s Electronic Filing Rules, which can be found on the Court’s website at www.ilsb.uscourts.gov.

L.R. 7016 – Pre-Trial Procedures.

- A. **Duty to Exchange Witness and Exhibit Lists, and Exhibits.** Parties to an adversary proceeding shall mark all exhibits prior to trial and shall prepare sufficient copies of the exhibits for all parties to refer to at trial, plus one copy each for the Judge, Law Clerk and Courtroom Deputy. The parties shall exchange all exhibits and supply paper copies to the Court at least 14 days prior to trial. Each party shall prepare and file at least 7 days prior to trial a written statement as to each exhibit indicating whether the party objects to the exhibit and, if so, the nature of the objection. - B. **Objections to Exhibits.** Objections to the authenticity or genuineness of any document shall be made in writing no later than 72 hours prior to trial. Failure to object to the authenticity or genuineness of a document does not waive any right to object on the basis of relevance at trial.

The briefs shall contain a statement which outlines the burden of proof on each issue, who has the burden of proof, and why the burden of proof has or has not been sustained.
- D. **Failure to Comply.** The Court may refuse consideration of or strike any pleading or other document, or take any other appropriate action, for failure to comply with the procedures set forth in subsections A, B or C of this Rule.

L.R. 7026-1 – Filing and Service of Discovery Materials. Because of the considerable cost to the parties of furnishing discovery materials, and the serious problems encountered with storage, the Court adopts the following procedure for filing of discovery materials with the Court:

- A. If relief is sought under Rules 26(c) or 37 of the Federal Rules of Civil Procedure, concerning any disclosures, interrogatories, or requests for production or inspection, answers to interrogatories or responses to requests for production or inspection, copies of the portions of the disclosures, interrogatories, requests, answers or responses in dispute shall be filed with the Court contemporaneously with any motion filed under these Rules.
- B. If disclosures, interrogatories, requests, answers, responses or depositions are to be used at trial or are necessary to a pre-trial motion which might result in a final order on any issue, the portions to be used shall be filed with the Court at the outset of the trial or at the filing of the motion insofar as their use can be reasonably anticipated.

L.R. 7026-2 – Motions to Compel. Except as otherwise ordered, the Court will not entertain any motion under Rule 37 of the Federal Rules of Civil Procedure, unless, prior to the filing of the motion, counsel for the moving party has conferred or has made reasonable efforts to confer with opposing counsel concerning the matter in dispute. Counsel for the moving party shall file a statement establishing compliance with this Rule with any motion filed under Rule 37 of the Federal Rules of Civil Procedure.

L.R. 7041-1 – Dismissal of Underlying Bankruptcy Case. Any pending adversary proceeding shall be dismissed 14 days following the date of dismissal of the underlying bankruptcy case, unless a party, within the same period, requests otherwise by written motion.

L.R. 7041-2 – Complaints to Deny or Revoke Discharge: Dismissal or Settlement.

- A. **Contents and Service of Motion for, or Stipulation Regarding Voluntary Dismissal of Complaint to Deny or Revoke Discharge.** Any dismissal, whether by motion or stipulation, of a complaint to deny or revoke the debtor's discharge pursuant to Section 727 of the Bankruptcy Code, shall be served on the United States Trustee, any case Trustee, counsel of record, and any party that has intervened in the adversary proceeding. The notice, motion or stipulation shall contain a recital concerning the consideration, if any, for the dismissal or the terms and conditions of any agreement concerning the dismissal. The moving party shall file, with the motion or stipulation, a separate notice giving all interested parties 21 days from the date of filing to object.
- B. **Objections to Dismissal.** Unless the United States Trustee, the case Trustee, or another entity seeks to intervene or to be substituted for the plaintiff in the proceeding or objects to the dismissal within 21 days following the filing of the motion/stipulation, the Court may dismiss the complaint and/or close the adversary proceeding, upon such terms and conditions as it deems proper, without further notice or hearing.

L.R. 7055 – Default Judgment.

- A. **Clerk's Entry of Default.** A plaintiff seeking the Clerk of Court's entry of default shall follow the procedures set forth in Rule 7055 of the Federal Rules of Bankruptcy

Procedure. To obtain the Clerk of Court's entry of default, the Court requires the filing of the following:

1. Request for Clerk of Court's entry of default; and
2. Verified Affidavit* supporting entitlement to entry of default.

*The affidavit shall contain:

- a. The complete caption setting forth the name of the Court, the name of the parties, and bankruptcy and adversary case numbers;
- b. Date of issuance of summons;
- c. Statement of whether the Court fixed a deadline for filing an answer or motion, or whether the 30 or 35 day limit applies;
- d. Date of service of the complaint;
- e. Date of filing of affidavit or return of service;
- f. Statement that no answer or motion has been received within the time limit fixed by the Court or by Rule 7012(a) of the Federal Rules of Bankruptcy Procedure;
- g. Statement that the defendant is not in the military service (as required by the Soldier's & Sailor's Civil Relief Act, 50 U.S.C. App. § 521); and
- h. Statement that the defendant is not a minor or an incompetent person as required by Rule 55(b)(1) of the Federal Rules of Civil Procedure.

If the plaintiff is entitled to entry of default, the Clerk's Office will complete the entry of default and serve a copy of the entry of default to the plaintiff.

- B. **Motion for Default Judgment.** The movant shall file a separate motion for default judgment, and shall serve the motion on the party against whom the default judgment is requested by mail at the last known address.
- C. **Determining Amount of Judgment.** If the claim to which no response was made is for a "sum certain," then the motion shall be accompanied by an affidavit showing the principal amount due and owing, not exceeding the amount sought in the claim, plus interest, if any, computed by the movant, with credit for all payments received to date clearly set forth, and costs, if any, pursuant to 28 U.S.C. § 1920. If the amount of the claim is not readily ascertainable or if the amount requested in the motion exceeds the amount stated in the claim, the Court may conduct a hearing on the motion for default judgment.

L.R. 7056 – Motions for Summary Judgment.

- A. **Motion for Summary Judgment.** A motion for summary judgment shall state with particularity, in separately numbered paragraphs, each material fact as to which the movant claims there is no genuine issue. Each such paragraph shall reference the pleading, discovery, affidavit or document that supports such fact. If the motion requires consideration of facts not appearing in the record, the party shall file all documentary evidence relied upon, including affidavits, as an attachment to the motion. The motion

shall not refer to material facts not presented as evidence in support of the motion. The motion shall also state concisely the legal grounds on which relief should be granted.

- B. **Memorandum in Support.** The moving party shall file with each motion for summary judgment a memorandum in support of the motion, including citations to any authorities upon which the party relies. Failure to file a memorandum in support of the motion may result in the entry of an order striking the motion.
- C. **Responses.** Each party opposing a motion for summary judgment shall file a response specifically admitting or denying each of the movant's factual statements. The response shall include the reason for denial of any factual allegation and shall be supported by reference to the pleadings, discovery, affidavits or documents that support respondent's denial. The response shall further list in numbered paragraphs any additional facts that remain in dispute and those facts shall be supported by reference to the pleadings, discovery, affidavits or documents that support the respondent's allegations. If any response requires consideration of facts not appearing in the record, the party shall file with its response all documentary evidence relied upon, including affidavits, if applicable.
- D. **Memorandum in Support of Response.** The respondent shall also file a memorandum in support of the response, including citations to authorities on which the respondent relies. Failure to file a memorandum in support of the response may result in the entry of an order striking the response.
- E. **Response Time.** The response and memorandum in support of the response shall be filed within 21 days from the date the motion for summary judgment is filed.
- F. **Replies.** The moving party may file a reply no later than 14 days after the response is filed. Additional replies may be filed by either party only with leave of Court. Any reply may address only matters raised in the response to which the reply relates.
- G. **Page Limits.** Absent leave of Court, no pleading or memorandum regarding summary judgment shall exceed 20 numbered pages, exclusive of the signature page and attachments.

If the matter is a contested matter within an adversary proceeding, service of the 9006(c) Request and the underlying Motion shall be made in the manner described above but only upon the parties to the adversary proceeding and any other party as directed by the Court.

Attorneys/participants seeking to schedule emergency motions or other expedited matters shall identify the same by using the word “emergency” in the title of the pleading; provide an explanation within the pleading as to the nature of the emergency; and use the word “emergency” in the docket text when electronically filing such pleading. With the exception of certain motions listed on the Court's website, all motions, applications, objections to claims in chapter 13 and chapter 11, and motions to approve stipulations or agreements must be accompanied by a proposed order. The Court may extend the time for filing/submission upon request.
