

Court Newsletter Service

The Bankruptcy Court for the Southern District of Illinois has initiated a new service that will provide another means of communicating with you. The Court will release newsletters on topic(s) of interest to the bar. To access this service, you must register by visiting our website at www.ilsb.uscourts.gov and then clicking on the following button: **Court Newsletter Registration**. You will be prompted to enter your e-mail address and select a topic(s) of interest. The current topics are: “Judicial Opinions” and “Court Newsletter”. As developments occur, messages associated with your topic(s) of interest will be sent to your e-mail address.

We would like to hear from you regarding the service and your suggestions for other topics of interest. Give us your feedback at: ilsbwebmaster@ilsb.uscourts.gov
