

Change Default PACER Login After PACER Account Upgrade

After upgrading from a Legacy PACER account to an Upgraded PACER account, it may be necessary to link your new PACER credentials to your Current Gen CM/ECF account (if your old credentials were linked as your default PACER login).

STEP	ACTION
1	Log into CM/ECF with your current CM/ECF login and Password
2	Select the Utilities tab.
3	Under the Your Account .section
4	Select Change Your PACER Account .
	 <p>The screenshot shows the CM/ECF Utilities page. The navigation bar includes 'Bankruptcy', 'Adversary', 'Query', 'Reports', and 'Utilities'. Under the 'Utilities' section, there are three columns: 'Your Account', 'Miscellaneous', and 'CHAP'. The 'Your Account' column contains links: 'Change Your Client Code', 'Change Your PACER Account' (highlighted with a red box), 'Internet Payment History', 'Internet Payments Due', and 'View Your Transaction Log'. The 'Miscellaneous' column contains links: 'Verify a Document', 'Court Information', 'Legal Research ...', and 'Mailings...'. The 'CHAP' column contains the link 'Release 5.0 Menu Items'.</p>
5	Select the checkbox next to Make this my default PACER login .
6	Enter your upgraded PACER Account credentials then select login.  <p>The screenshot shows a form with a checkbox labeled 'Make this my default PACER login' and the text 'After checking this box, you will only need to enter your PACER login and password for documents via PACER.' Below this is an 'Authentication' section with three input fields: 'Login:', 'Password:', and 'Client code:'. The 'Login:' and 'Password:' fields are highlighted with a red box. At the bottom are 'Login' and 'Clear' buttons.</p>
7	Select Login .
